Let us help you get the most out of your plan

The new year always brings change, including updates to your [Anthem] health plan. We want to ensure you feel good about your benefits heading into [2025]. So we're providing all the information you need to use your plan to its fullest.

Here are 3 ways to better understand your benefits

1 **Review your plan benefits.** These are outlined in the Annual Notice of Change we recently sent you, in addition to your *Evidence of Coverage*. You can also read your plan documents online at any time. Log in to your account at [\[anthem.com\]](https://anthem.com).

2 **Watch your personalized plan year welcome video.** Log in to your account at [\[anthem.com\]](https://anthem.com) or open the **SydneySM Health** app to view this customized summary of your plan, where you'll learn about benefits, finding care, and programs to support your health.

3 **Get one-on-one guidance and support.** Whether you have questions about your benefits or would like to discuss your options for a different plan that fits your needs, we're always here to help. **Call us at [888-925-1191 (TTY: 711)]**, [8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30].

Your new benefits start in January, but now is a great time to take advantage of your current plan. Book any appointments you need and start the new year on the healthiest path possible. We'll be there for you every step of the way.
